Important Additional Information

- Standard fees include meals, drinks and snacks. Baby formula and speciality food or drink are not included in the fee.
- Where your child qualifies for 30 hours of “government funded childcare”, meals are not included. Invoices will be raised in advance for any meals which are served during your child’s hours of attendance. No packed lunches or food from home will be permitted due to nursery having a number of children with allergies in attendance.
- For all of our services, we ask for a non-refundable booking fee of £50 along with a completed registration form to secure your place. No booking fee is required for funded 2-year old places. A retainer fee of £50 is required for funded 3-year old children which will be refunded within a reasonable time period after your child begins their sessions.
- Fees are paid monthly in advance on the 1st day of each month or as near as possible to this date should the 1st fall on a weekend or bank holiday. If your child starts mid-month, the payment for the part-month in which they start, will be taken prior to them attending nursery and then on the 1st of each month thereafter.
- Fees are to be paid by bank transfer or standing order and we also accept most childcare vouchers. Should you wish to pay by any other means, you will need to speak with the manager to make special arrangements.
- We calculate the amount payable by you each month, by multiplying your “weekly fee” by the “weeks charged” for in each year (50 weeks). We then divide the total by 12 to give 12 equal monthly payments.
- In order to accommodate staffing levels, one month’s notice is required to amend the number of hours your child is in nursery or if you wish to withdraw your child from nursery. If insufficient notice is given you will be responsible for the full fees for your child for one month from the date of any change as if their hours had not reduced.
- Once your child is eligible to claim the government funded sessions, you are required to give us at least one month notice of any change in hours and we may amend the billing calculations in order to comply with the Local Authority Code of Practice. A full copy of the Free Entitlement Terms and Conditions can be obtained from the nursery manager.
- All prices are subject to an annual increase in line with inflation.
- No refunds are given for sickness or holidays or when your child does not attend for their agreed sessions.
- School or nursery staff can request our educator discount for which we have a limited number of places. Educator’s working term time only can opt to have their child attend for 50% of their usual term time sessions during all school holidays without risk of losing their usual term time sessions.

“Weekly Fee” is the cost for the number of sessions your child attends in a standard week.

“Weeks charged” is based on 50 weeks. We do not charge for 2 weeks in each year when we are closed. The nursery closes on Bank Holiday’s, Christmas Eve and any working days between Boxing Day and New Year’s Day.

“Government funded childcare” 38 of the 39 term time weeks are funded by the LA.
